# Friendships

## Why do we have a club?

**The Jefferson Park Women’s Golf Club** is dedicated to the promotion of competitive golf by a private group of women who play golf.

Membership of this organization is open to women who want to play golf and who qualify for membership.

JPWGC is an all volunteer organization coordinated and organized by its members.

# Welcome to JPWGC

Welcome to the Jefferson Park Women's Golf Club where our home is the historic Jefferson Park Golf Course in Seattle's Beacon Hill neighborhood. The course opened in 1912 and the women's club was established in 1916. Our club membership reflects the diversity of the surrounding neighborhood and welcomes all women sharing a common interest in golf. JPWGC provides a sanctuary of support for golfers relatively new to the sport and yet provides a competitive venue for those who have been playing golf for the better part of their lives. Membership in the club includes GHIN through the USGA and the club is part of the Greater Seattle Women's Public Golf Association and the Washington State Women's Public Links Association, which both offer even more opportunities to play.

Enjoy golfing with like-minded women, making new friends and having fun playing as often as your personal schedule allows.

## When do we play?

JPWGC has league play on Tuesdays and Saturdays, from April 1 through the end of October. Playing Members can choose to play either day, or both days. Members continue to play casually during the off-season with no competitions. Players are required to check in with the play coordinator at the clubhouse at least 30 minutes prior to their time.

Tee times for Saturday is 8:30 am all season with a few exceptions. Tuesday Players Tee off at 8:30 in April and May, September and October and at 8:00 June, July and August.

Throughout the season special events such as Field Days 3 and Tournaments are held for both playing groups.

# Tournaments

## Things you really need to know...

### **Saturday and Tuesday**

Most members of the Jefferson Park Women's Golf Club join as either Tuesday or Saturday Players, but dual membership for play on both days is available should that be appealing.

### **Who can join**

Membership is open to women with a current GHIN handicap and who want to play golf. A new member who does not have a current GHIN handicap may join under probationary status. After 5 rounds are posted a handicap is established and the probationary status ends and full membership is granted.

Any member whose conduct is prejudicial to the welfare of the Club shall have her membership terminated by vote of the Board of Directors.

### **Handicaps**

All members must have a current and valid handicap, or be actively in the process of obtaining one. Handicaps will be limited to the maximum allowed for competition by the USGA or as set by the club.

### **Rules**

The players of JPWGC are expected to follow the published rules of golf **at all times**. Local rules may be in effect and are posted at the clubhouse. Each week of play the play coordinator may declare that "Winter Rules" will be in effect based on current conditions. Without said declaration within hearing of all members playing that day, all players will be expected to follow the published rules of golf.

### **Pace of Play**

One of the most important concerns at any golf course is pace of play. All members are expected to keep up with the group in front of them. Consistent slow play can be grounds for loss of membership.

### **Joining**

Simply request a membership application and mail it to the appropriate address with your payment. The handicap chair will register you with the WSGA and you will be assigned a handicap after you have posted 5 scores.

### **Who will I play with?**

The Tuesday and Saturday groups organize their foursomes differently. Tuesday is done by order of sign up. Saturday's groups are determined by the play coordinator in random groupings. The goal is for all players to get to know each other.

# Challenge

## Facilities at Jefferson Park

### **Clubhouse**

The Jefferson Park Golf Course now has a brand new facility with pro shop, double deck driving range and restaurant with a full bar. New putting practice greens are out front and the old green and chipping area still are hidden behind the clubhouse. There are no locker rooms at Jefferson Park.

### **Food**

The Beacon Grill is open with full table service and walk-up counter. The snack bar at the turn is currently closed pending security improvements. The course often runs a drink and snack cart out on the course, and has provided water at several tees across the course.

### **Parking**

The parking lot immediately south of the clubhouse is available for golfer parking. Six hour time limits are adequate for golf.

### **Driving Range**

Jefferson Park's driving range is open! Purchase balls at the pro shop.

### **Executive Nine and Foot Golf**

Jefferson Park features a reconfigured short 9 course that also is home to the popular foot golf course.

# Stroke

## Club Constitution & Bylaws

The Jefferson Park Women's Golf Club has a Constitution and Bylaws. The documents are available on the JPWGC website and every member is strongly encouraged to read these documents.

# Handicap Competitions

## **Weekly Competitions mean YOU can win!**

Every week of league play presents all members the opportunity to win a small prize in a competition between the members participating that week. To be eligible for the competition members must:

Follow the rules of golf during play.

Have a current, valid handicap through GHIN Handicaps are capped at 53.0 for weekly competitions

Prizes are paid in the form of credits at the JPGC Proshop and can be used for merchandise, but cannot be used to purchase food, beverages or greens fees and have no cash value.

## **Club Championship**

The JPWGC holds a two week Club Championship in August which is open to all members. The Club Champion is the member with the lowest gross score over two rounds of 18 holes.

Other prizes may be awarded for low net scores within flights of members based on handicap. All members are encouraged to participate. For the this tournament, handicaps are limited to a maximum of 40.4.

## **Captain's Cup**

This is a modified Stableford tournament, best 2 of 3 rounds played on consecutive weeks in June. For the this tournament, handicaps are limited to a maximum of 40.4.

## **Tuesday Special Events**

Spring Handicap - A 2-day event, 2 person best ball, 8 points differential.

Field Day(s) - Format to be announced

Turkey Shoot - A 1-day tournament; low net with placed flag

## **Saturday Special Events**

Two Field Days - Field days are tournaments organized with variable formats, prizes and loads of fun.

ECCI Pool - Ecclectics is a voluntary and informal competition rewarding a season's worth of great holes. Details available upon request.

Hole-in-One Pot - Saturday players can voluntarily participate in a pool rewarding every hole-in-one scored during league play. And yes, we have had two winners, so don't think it can't happen for you!.

## **Chip-ins and Birdies**

At the conclusion of the season prizes may be paid out for the most chip-ins and birdies scored during the season of league play.
